Subject: Proposed Bourke St Bike Path

Hello,
I read in the paper over the weekend that there were some trees in danger of elimination if a bike path were to be located in Bourke St Surry Hills.
My suggestion is to locate the bike path along the edge of Moore Park contiguous with South Dowling St. The ideal path should be independent of the walking path and run down to the Supercentre.
There is a dual benefit of cyclists not competing with cars and preservation of all the existing trees.
Regards
