Dear Mr Wallace

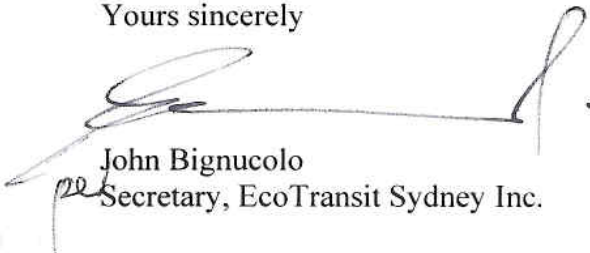

Light Rail extension to Dulwich Hill in Sydney's Inner West

I am writing to you to let you know of the community campaign we have initiated to have the current light rail services that ends at Lilyfield extended to Dulwich Hill along the now disused Rozelle goods line.

While this service does not fall within the boundaries of the City of Sydney, it is a campaign that has implications for the development of light rail in Sydney. We are supportive of further extensions to the light rail network including those advocated by the City of Sydney. We hope that this campaign will work to support efforts by the City of Sydney to see light rail extended in other areas.

We will write to you again soon to let you know about the progress that the campaign is making. In the meantime, we hope that you will do everything you can, where possible, to help support this public transport initiative.

Yours sincerely

John Bignucolo
Secretary, EcoTransit Sydney Inc.
