**POLICE CRIME PREVENTION ISSUES
AND OPTIONS**

**GEORGE STREET, THE ROCKS –
TRIAL TRANSIT MALL REVIEW**

Hickson Road Looking South

The Issues

- Poor Lighting – Not bright enough – More needed

Confusing and faded line markings. Is there 2 lanes or 1? Appropriate line marking required.

Truck turning entry/exit point. This causes confusion to other motorists. Clearly defined line markings required

- Illegal parking due to no road markings

⇕ Faded median strip causes confusion and motorists simply ignore.
