PRINCE ALFRED PARK

City of Sydney has developed a draft plan to upgrade Prince Alfred Park.

A community meeting will be held in the park on Saturday 2 September at 11.00am to discuss the draft plans and hear your views.

The draft plans follow from the City's adoption of a Plan of Management for the park in December last year.

The Plan of Management was developed in consultation with the local community to guide long term planning and maintenance of the park. It is also the guide for the design of this upgrade.

The proposed works will enhance the park's natural character, improve access and expand the sporting facilities. These facilities will be consolidated in the north-western corner of the park to allow maximum useable open space for passive recreation. A new skate plaza is also proposed.

I encourage you to attend the meeting and look forward to hearing your comments.

The key elements of the upgrade include:

- enhance the park's natural character for the use and enjoyment of the public
- improve the views across the park
- improve public safety and accessibility
- maintain significant aspects of the park's heritage
- improve environmental sustainability
- improve and consolidate activity facilities
- build a new community pool complex
- revitalise the Coronation Centre for public and community use
- create a sustainable, clean and well kept park.

LEGEND

- 1** Revitalise the Coronation Centre for public and community use.
- 2** Improve the growing conditions for the existing fig trees in the park and plant new trees.
- 3** Upgrade the playing fields and relocate basketball courts.
- 4** Provide two new tennis courts.
- 5** Proposed skate facility.
- 6** Upgrade local pool facility with a new building and toddler splash pad.
- 7** Provide more open grassed areas.

CONSULTATION

The draft plans for the park's upgrade have been developed using this Plan of Management. During this process further consultation with the community and key stakeholders has taken place.

The community meeting on 2 September 2006 will provide information about the proposed upgrade and an opportunity to comment prior to the lodgement of a Development Application (DA) for the pool complex and Coronation Centre.

There will also be further opportunity to comment during the DA process.
