

What's happening in City South?

Alexandria • Beaconsfield • Green Square
Rosebery • St Peters • Zetland

Community Forum

Date: Monday, 17 March 2008

Time: 6.00pm to 8.30pm

Location: Green Square Community Facility, 3 Joynton Avenue, Zetland

Have your say

What's happening in your area, including Development Applications

Green Square update

City Plan update

Sustainable Sydney 2030 update

city of villages

It's your city – share in shaping our future

Come along to the Community Forum in your area - **Alexandria, Beaconsfield, Green Square, Rosebery, St Peters and Zetland**. Talk to **Councillors** and **senior staff** about issues in your area from 6.00pm.

The City has many exciting projects underway and in planning throughout your local area and we will discuss these with you in the **Local Action Plan update**.

A detailed update on **Green Square** will take place, followed by a discussion on the **City Plan** - planning framework and preparation process.

The **Sustainable Sydney 2030** project will guide and shape the development of the City of Sydney for the next 20 years and beyond. Hear the latest update.

You will also learn about **Development Applications** in your area currently on exhibition and those which have been considered by Council.

Join us and discuss what's planned for the City South area - remember, this is your village, your city and this is your opportunity to have your say.

I look forward to seeing you.

Clover Moore MP
Lord Mayor

Sustainable Sydney 2030

Sustainable Sydney 2030 is one of the most exciting initiatives to be undertaken by our City. It is a vision and strategic plan to guide the development of Sydney for the next two decades.

Just as previous generations had the imagination and daring to think for the future, giving us a rail network, the Harbour Bridge and an Opera House, we now have the duty and opportunity to think - and act - boldly for the benefit of future generations.

Community input on the City's design, transport, environment, economy, governance, culture and community told us you wanted Sydney to be Green, Connected, Global.

COME ALONG AND HEAR ABOUT...

Green Square update

Design work for the Green Square Town Centre public park and plazas is well underway and will be exhibited soon. Your feedback will help finalise plans to create a sustainable new community in the City South. Council has also confirmed a 50 metre pool, sports centre, family and childcare services, library and cultural centre for the area.

Sydney Park upgrade

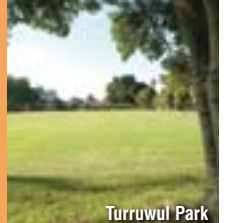

The City's biggest park continues to take shape with the construction of an exciting all abilities playground, an upgrade of the village green and installation of a new toilet/shelter facility. Work is anticipated to be completed late 2008. Design work will soon commence on storm water harvesting for the park's wetlands. Come and hear about these new additions to the park.

Local park improvements

The City is improving and increasing green space with an upgrade of Turruwul Park that includes a new playground, tree plantings, barbecue and upgraded sporting facilities, change rooms and kiosk. Bannerman Crescent Reserve will also receive a new playground, paths and landscaping. Come and hear about these park improvements.
