

Certificate of Participation

This is to acknowledge **The City of Sydney** for demonstrating environmental care by purchasing **7,645 MWh of AGL Green Energy** for financial year 2005/06.

By investing in accredited GreenPower generation, **The City of Sydney** has reduced the greenhouse gas emissions associated with their energy consumption by approximately **8,164 tonnes CO₂-e.**

AGL Green Energy is accredited by the National GreenPower Accreditation Program, www.greenpower.gov.au.

Paul Anthony
Managing Director, AGL
