## Sustainable Bead Making

1.00pm – 3.00pm & 3.30 - 5.30pm

With: **Jess McGowan**

Location: Pine Street Jewellery Studio

Learn how to make beads using recycled paper & old magazines! This is a truly sustainable art form which incorporates recycling to create beautiful, colourful beaded creations including necklaces, earrings, & bracelets.

## Lino Print

1.30pm - 3.30pm & 4.00pm – 6.00pm

With: **Rebecca Baird**

Location: Pine Street Print Studio

Learn the basics of Lino Printing in our fully equipped print studio. You can print gift cards, postcards or small art pieces in a range of colours. You will use water based non toxic inks & beautiful card stock.

## STENCIL ART

1.00pm – 4.00pm & 4.30 - 6.30pm

With: **Chris Tamm & Kath Ellis**

Location: Pine Street Ceramics Studio

Learn why stencil art has taken the world by storm! Create a stencil to be printed onto paper, cardboard, a calico bag (\$3 each, can be purchased at the workshop), or a t-shirt (please bring your own shirt). Or print your stencil on the box wall mural for everyone at the festival to enjoy!

## Wire Sculpture

**12.30pm - 2.30pm & 3.00pm - 6.30pm**

**With: Chris Retallack**

Location: Basket Ball Courts

Create a wire sculpture using soft bendable wire & coloured resin beads – you can make an animal, insect or create your own awesome design. Learn wire sculpting skills including finishing, joining & making joints with moveable parts.

## Badge Making

**All day**

**With: COS Youth Librarians Network**

Location: Basket Ball Courts

Create your own cool badges! Draw, collage or borrow images to make your own designs. All materials are provided.

## Card Making

**All day**

**With: Make Poverty History**

Location: Basket Ball Courts

Create a birthday card for children around the world who have reached the age of 5yrs – in many developing countries children do not make it past this age. Celebrate the kids who do by making them a birthday card!
