**Note:** The City's Guidelines for Hoardings and Scaffolding require the display of artwork/graphics on hoardings and scaffolding in prescribed circumstances including installations that exceed specified durations (see Clause 3.4 and Table 1 in the Guidelines for details). Where a graphic display was not required under the initial application/approval but the extension requested in this application now requires a graphic installation, an extension of the Permit will not be granted unless a graphic display is installed.

### Is the installed structure compliant?

Is the temporary structure (hoarding/scaffolding) fully compliant with the Permit and the City's Guidelines for Hoardings and Scaffolding? (see categories below). Please tick the applicable type of Hoardings:

- Type A and Type B hoardings** - remains structurally sound; clear of graffiti and bill posters; tidy condition; graphics/artwork (where required) remain in good condition; and the footway surface is clear of debris and safe for pedestrians.
- Type B hoardings**- lighting systems are fully operational; the deck is watertight; and no material or equipment is stored on the hoarding deck (unless otherwise specifically approved).

### Required documents:

- Public Liability Insurance Policy covering the full renewal period.
- Structural Certification (required if the hoarding and/or scaffolding has been in place for more than 6 months from the initial approval date).
