

Carers' Parking Permit Guide and Application

About this form

Use this form to apply for a Carers permit. A Carers permit exempts a vehicle used by a carer visiting a resident from time limits and parking fees while the carer is providing in-home care.

The permit is issued to the resident rather than the carer. This enables residents to receive care from multiple carers who are not eligible for the Care Worker Parking Permit.

Part A: How permits work

- Permits are issued for a specific area and are valid only within that area. The area number will be listed on your permit.
- If the area number on your permit matches the area number on the sign (see example signs to the right) your vehicle is exempt from restrictions in that location. A Carers Parking Permit does not exempt your vehicle from general road signs such as "No Parking" or "Loading Zone".
- Not all streets have special arrangements for permit holders.
- It is the responsibility of the driver to carefully read any signs before parking their vehicle.

Part B: Eligibility - General

A Carers' Parking Permit may be issued to a resident who:

1. Is a resident of the City of Sydney.
2. Has a letter from a service provider or health professional setting out the resident's need for in-home care and the length of time the care is required.
3. The permits may only be used by carers providing care who meet the definition of carers as set out in the Carers (Recognition) Act 2010 <http://www.legislation.gov.au/Details/C2010A00123>

A Carers' Parking Permit is not valid for use on a caravan, bus, truck, trailer or any vehicle which exceeds 3.5 tonnes tare weight unless such vehicle is necessary for the specific health or aged care service provided.

Part C: Permit fees

Fees: The current fees are shown in Part 5 of the application form.

For more information on fees, call the City of Sydney on 9265 9333 or visit www.cityofsydney.nsw.gov.au.

Part D: Your responsibilities

Not all residential properties within the City's Parking Precincts are eligible for permits.

- If you live in a building approved or converted to residential use after 8 May 1996 (former South Sydney), 1 May 2000 (former Sydney City Council) or 12 May 2014 (all remaining areas of the City of Sydney) you will not be eligible.
- A household which occupies a dwelling approved with the condition that no parking permits are to be issued.
- A household with an on-site visitor parking space, including shared visitor spaces in multi-unit dwellings you will not be eligible.
- A property not approved for residential use.
- A property within the City of Sydney CBD area.
- Call 9265 9333 to enquire about eligibility of your property.

Part D: Your responsibilities...continued

- The person applying for the Carers Parking Permits is responsible for the permits issued to them.
- A Carers Parking Permit must only be used for the purposes of providing care to the applicant.
- When in use, the Carers Parking Permits must be displayed on the left hand side of the vehicle's front windscreen. If this is impractical, it must be displayed on another prominent window. This permit must not be used for parking unless providing care for the applicant.
- If a permit is lost, stolen or damaged, the applicant must notify the City of Sydney.
- It is the permit holder's responsibility to ensure a valid permit is displayed. While the City will endeavour to send a notice 4-6 weeks prior to the expiry of your permit; not receiving a notice is not an acceptable excuse for failing to renew your permit.
