

Disclosure log

A disclosure log is a record containing details of information released under the *Government Information (Public Access) Act 2009 (GIPA Act)* following an access application, if the agency releasing the information considers it may be of interest to other members of the public. Details are entered into the disclosure log after the access application has been decided, and when review rights relating to the agency's decision to include the details of the released information in the disclosure log are no longer pending.
