# **TERMS OF REFERENCE**

## **CITY OF SYDNEY DESIGN ADVISORY PANEL**

### **1. Purpose**

---

- 1.1 The Design Advisory Panel (the Advisory Panel) has been established to provide the officers of the City of Sydney Council (the City) with high level independent expert advice and expertise on urban design, architecture, landscape architecture, art and sustainability. The advice is to inform the assessment by Council officers of development applications with a view to promoting the delivery of world class urban design, architecture and sustainable and inclusive design in Sydney's buildings and public spaces. The advice is to inform the assessment process. It is not the purpose of the Panel to have any role in the process of determination of development applications by the elected representatives of Council.
- 1.1 These terms of reference set out the rules that members of the Panel must follow.

### **2. Advice to the City**

---

#### **2.1 Scope**

The Design Advisory Panel will, from time to time be requested by the City to provide advice in relation to the matters referred to in 1.1 above including:

- (a) significant urban design, architecture and landscape architecture projects intended to be undertaken by the City;
- (b) significant urban design, architecture and landscape architecture projects intended to be undertaken by the private sector;
- (c) development applications and projects that may have a significant public domain, public interest, heritage impact and foreshore impact;
- (d) the Sydney 2030 project particularly regarding the future of the City's urban design and public domain quality;
- (e) the development and implementation of the City's planning and public domain policies as they affect urban design, architecture and landscape architecture;
- (f) how the City's public and private projects can achieve the City's stated environmental commitments and design excellence;
- (g) the procurement of design services;
- (h) the Central Sydney Planning Strategy and the City's planning controls including Local Environmental Plans and Development Control Plans.

## **2.2 Reference to Certain Material**

The Advisory Panel will make recommendations and provide advice to the City on the matters referred to it having regard to the material forwarded to it in each case and in every case having regard to the City's adopted policies including the City's:

- (a) Sustainable Sydney 2030
