The Light Rail Dragon – Triple Carriage Wrap Design Notes

Your expression of interest is not required to be submitted with the design specifications below.

This information is to give context to your design ideas.

Your dragon design needs to be one continuous image, to appear across the 3 carriages.

Avoid large blocks of dark colours.

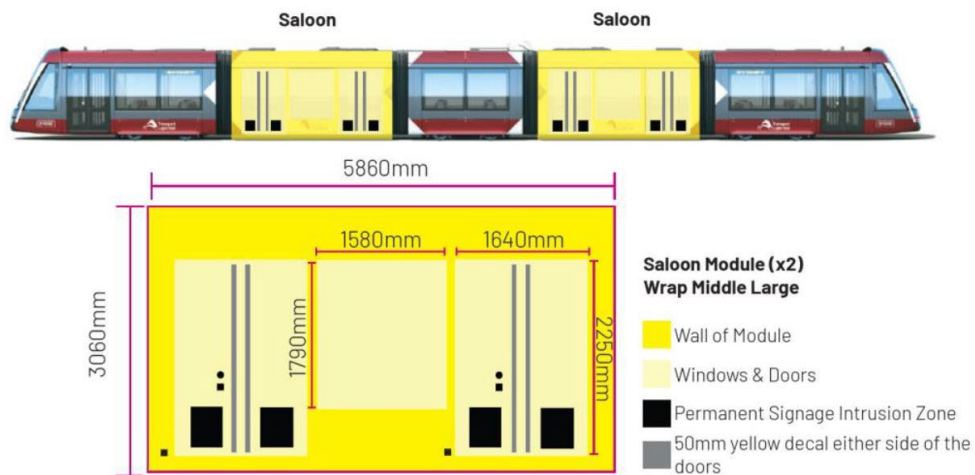

The same design will be used for both sides of the light rail carriages.

The selected artist will work with the City of Sydney to produce the final work to these design specifications.
