

Redfern neighbourhood vision and plan

Discussion guide

The background of the entire image is a dense, overlapping pattern of handprints. The handprints are rendered in a variety of colors including shades of orange, yellow, green, blue, and purple. They are arranged in a way that suggests a large group of people holding hands, with the prints overlapping and creating a sense of unity and community. The colors transition from warmer tones on the left to cooler tones on the right.

the Gadigal of the Eora Nation as the
