

**POWER OF DELEGATION**

Council delegates functions of the council to the CEO pursuant to s377 of the *Local Government Act 1993 (Act)*. These delegations are made on an exception basis, meaning that ALL functions are delegated to the CEO unless expressly excluded. To determine which functions have not been delegated from the Council to the CEO, refer to the register of delegations from Council to CEO, which contains an exhaustive list of functions that have not been delegated by Council to the CEO. s377 of the Act provides as follows:

**377 General power of the council to delegate**

- (1) A council may, by resolution, delegate to the general manager or any other person or body (not including another employee of the council) any of the functions of the council, other than the following:
- (a) the appointment of a general manager,
  - (b) the making of a rate,
  - (c) a determination under section 549 as to the levying of a rate,
  - (d) the making of a charge,
  - (e) the fixing of a fee,
  - (f) the borrowing of money,
  - (g) the voting of money for expenditure on its works, services or operations,
  - (h) the compulsory acquisition, purchase, sale, exchange or surrender of any land or other property (but not including the sale of items of plant or equipment),
  - (i) the acceptance of tenders to provide services currently provided by members of staff of the council,
  - (j) the adoption of an operational plan under section 405,
  - (k) the adoption of a financial statement included in an annual financial report,
  - (l) a decision to classify or reclassify public land under Division 1 of Part 2 of Chapter 6,
  - (m) the fixing of an amount or rate for the carrying out by the council of work on private land,
  - (n) the decision to carry out work on private land for an amount that is less than the amount or rate fixed by the council for the carrying out of any such work,
  - (o) the review of a determination made by the council, and not by a delegate of the council, of an application for approval or an application that may be reviewed under section 82A of the *Environmental Planning and Assessment Act 1979*,
  - (p) the power of the council to authorise the use of reasonable force for the purpose of gaining entry to premises under section 194,
  - (q) a decision under section 356 to contribute money or otherwise grant financial assistance to persons,
  - (r) a decision under section 234 to grant leave of absence to the holder of a civic office,
  - (s) the making of an application, or the giving of a notice, to the Governor or Minister,
  - (t) this power of delegation,
  - (u) any function under this or any other Act that is expressly required to be exercised by resolution of the council.

- (1A) Despite subsection (1), a council may delegate its functions relating to the granting of financial assistance if:
- (a) the financial assistance is part of a specified program, and
  - (b) the program is included in the council's draft operational plan for the year in which the financial assistance is proposed to be given, and
  - (c) the program's proposed budget for that year does not exceed 5 per cent of the council's proposed income from the ordinary rates levied for that year, and
  - (d) the program applies uniformly to all persons within the council's area or to a significant proportion of all the persons within the council's area.
- (2) A council may, by resolution, sub-delegate to the general manager or any other person or body (not including another employee of the council) any function delegated to the council by the Departmental Chief Executive except as provided by the instrument of delegation to the council.

The CEO delegates functions of the CEO to staff pursuant to s378 of the Act. The delegations from the CEO to staff are set out in this document. If a delegation is not expressly stated in this document, the function has not been delegated to a staff member. If this is the case, you should refer to the register of delegations from the Council to the CEO to determine whether the function has been delegated to the CEO.

s378 provides as follows:

### **378 Delegations by the general manager**

- (1) The general manager may delegate any of the functions of the general manager, other than this power of delegation.
- (2) The general manager may sub-delegate a function delegated to the general manager by the council to any person or body (including another employee of the council).
- (3) Subsection (2) extends to a function sub-delegated to the general manager by the council under section 377 (2).

### **DELEGATION FROM THE CHIEF EXECUTIVE OFFICER TO EACH DIRECTOR**

Pursuant to Section 378 of the *Local Government Act* 1993 the CEO delegates to each person holding the position of Director:

- a) all functions delegated by the Council of the City of Sydney to the Chief Executive Officer; and
- b) all functions conferred upon the General Manager by the Local Government Act 1993, and any other Act,

for the Director's area of responsibility, except where specifically excluded in the Register of Delegations – from CEO to Directors and staff.

**UNDERSTANDING AND APPLYING THESE DELEGATIONS**

**IMPORTANT:** staff should note the following matters when reading these delegations:

1. Delegations must be exercised in accordance with all Council policies and procedures and are subject to the direction of the delegate's manager or divisional director.
2. Because the City has appointed a chief executive officer, references to "general manager" in the *Local Government Act 1993*, including those sections set out in full above, are to be read as references to the Chief Executive Officer.
3. All dollar figures referred to in these delegations are exclusive of GST unless otherwise stated therefore care is needed in relation to exceeding tender limits.
4. These delegations apply to each position identified in the column headed "Delegate" and those positions that supervise or manage that position.
5. These delegations do not apply to contractors or consultants, with the exception of delegations 27 and 28 which will apply to specific agreed agency contractors when the required controls are in place and if they have been engaged for more than 3 months, have completed their training, are hired through Comensura and meet the controls in the delegation to agency contractors control plan (as per 2018/601393-51).
6. These delegations remain in force until Council and/or the CEO directs otherwise.
7. No delegate role named as having the authority to exercise a function under this document has the power to delegate that authority to a different role.
8. These delegations do not limit an attorney of the City from executing any document as the Council's attorney.
9. If you cannot find a delegation in this register then the power has not been delegated to a staff member of Council. You should refer to the delegations from Council and the Central Sydney Planning Committee to the CEO to determine whether the power has been delegated to the CEO.
10. Where a City employee is acting in a position that has powers delegated to it, the person acting in that position can exercise the powers of the delegate.
11. The provisions of the *Interpretations Act 1987 (NSW)* apply to these delegations. Contact the Legal Unit if you would like more information about this.
12. If legislation referred to in this register is superseded by updated or new legislation, to the extent practicable the delegations will apply to the new legislation.
13. A reference to "Director" in this register is a reference to the Director of a Division, the Chief Financial Officer and the Chief Operating Officer of Council and not to any other position with the word "Director" in its title.
14. M3 and M4 positions are identified in the attached document to allocate authorities and responsibilities and do not indicate standing in the organisational structure.
15. Exercise of delegations in relation to a new project or program of a value of more than \$50,000 is subject to approval of an initiation brief.
16. A reference to "contract or agreement" in delegations 23 and 24 means any enforceable agreement between the City and another party or parties including deeds, covenants, restrictions on use, or any Instrument (as that word is defined in the Real Property Act 1900).

**INDEX OF DELEGATIONS:****Procurement and Finance**

1. Commit and Authorise Expenditure
2. Procurement
3. Variations for Expenditure of approved contingency funds – Contract Approved by Council
- 3A. Variations for Expenditure of approved contingency funds – Contract recommended by the TRG & CFO and approved by CEO
