

Round based grants in the grants and sponsorship program

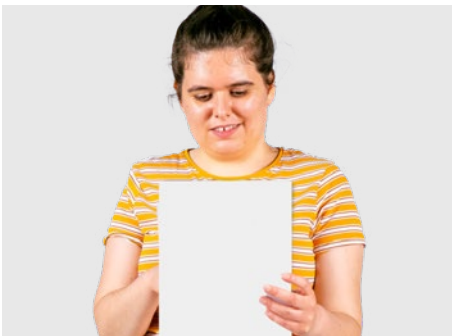

About this information

City of Sydney made this information.

City of Sydney is the part of the government that looks after the city area of Sydney.

This information is about our **grants and sponsorship program**.

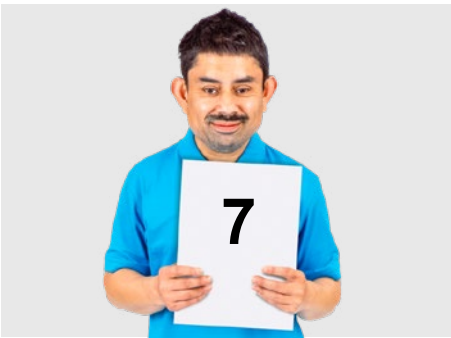

Our **grants and sponsorship program** gives money for you to work on a project.

We will say **grants** for short.

We have many different grants.

This information is about 7 of the grants.

These grants are called **round based grants**.

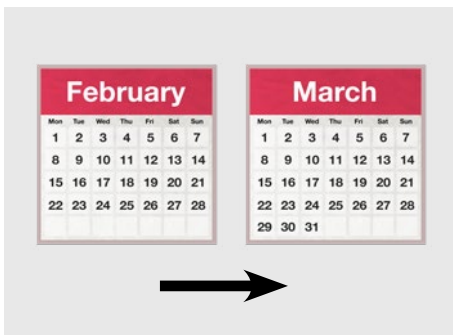

Round based grants are open 1 time or 2 times a year.

You can apply for round based grants in the

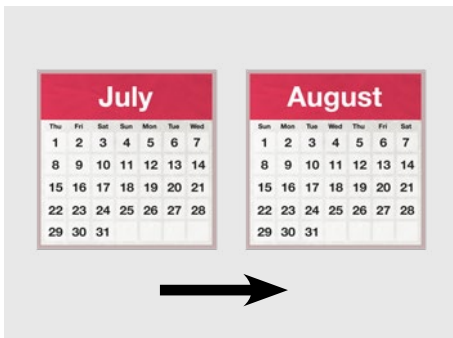

- **Summer round**
- **Winter round.**

The **summer round** means you can apply in the time from February to March.

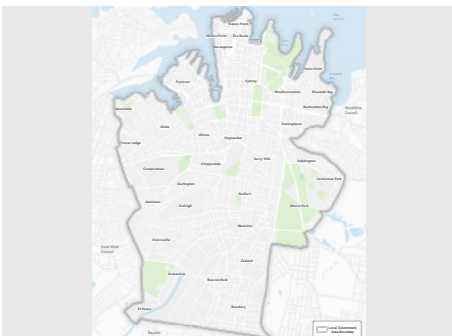

It is for projects that start any time from 1 July this year to 30 June next year.

The **winter round** means you can apply in the time from July to August.

It is for projects that start any time from 1 January to 31 December next year.

You need to work or live in the City of Sydney area to apply.

If you do not work or live in City of Sydney you must show how the project will be good for City of Sydney.

When we decide if you get the money for the projects we will look at things like

- Why the project is needed

- If you have the skills to do the project

- How it will be good for the local community

- You can contact City of Sydney if you have any questions about what we look at for each grant.
