## 1. DEFINITIONS

### 1.1. **Audit**

A systematic, independent, and documented verification process of objectively obtaining and evaluating audit evidence to determine whether specified criteria are met.

### 1.2. **Authorised Person**

A person acting in support of the operation of the Street Safety Camera Program (SSCP). Authorised persons are able to enter the control room at any time without formally requesting authorisation (See Schedule 3).

### 1.3. **CCTV**

Closed circuit television.

### 1.4. **City Management**

Functions for which the SSCP may be used during major events including monitoring crowd movements, cleansing operations, waste management, and emergency management.

### 1.5. **Civilian**

Any individual or representative of an organisation who is not a member of the NSW Police or a Responsible Officer.

### 1.6. **CCTV System**

The system which operates the cameras and within which all recorded materials and information regarding their operation is recorded.

### 1.7. **CCTV Database**

The system into which all information regarding incidents viewed on the monitors located in the control room, operators' activities, transfer of vision, and access to the control room is entered.

### 1.8. **Control Room**

The Security and Emergency Management Operations Centre room where SSCP cameras are monitored.

### 1.9. **Control Room Staff**

Staff engaged by City of Sydney to perform duties for the SSCP, security operations, and emergency management.

### 1.10. **General Intelligence Gathering.**

Monitoring a particular person or location, rather than a standard incident, for the purpose of assisting Police or any other law enforcement agency with their activities.

### 1.11. **Incident**

#### 1.11.1. Administrative Incident

An activity that relates to the management of the SSCP e.g., details of Control room visitors or operational faults.

## 2. INTRODUCTION & KEY PRINCIPLES

This Code of Practice contains the basic standards in accordance with which the SSCP will be operated.

The Code of Practice is based on 15 key principles. In each section the key principle is stated, followed by further explanatory information.

The key principles are as follows:

**Principle 1**

The SSCP will be operated fairly, within applicable law and only for the purposes for which it is established, or which are subsequently agreed in accordance with this Code of Practice.

**Principle 2**

The SSCP will be operated with due regard to the privacy and civil liberties of individual members of the public, including the rights to freedom of religious and political expression and assembly. The SSCP will not be used for the reporting of any intelligence on the expression of legitimate political or religious views by members of the public.

**Principle 3**

The public interest in the operation of the SSCP will be recognised by ensuring the security and integrity of operational procedures.

**Principle 4**

The City of Sydney has primary responsibility for compliance with the purposes and objectives of the SSCP, for the maintenance, management and security of the Program, and the protection of the interests of the public in relation to the Program.

**Principle 5**

As a partner to City of Sydney's SSCP, the NSW Police will act in accordance with the Code of Practice.

**Principle 6**

The City of Sydney will be accountable to the public for the effective operation and management of the SSCP.

**Principle 7**

The public will be provided with clear and easily accessible information in relation to the operation of the City of Sydney's SSCP.

**Principle 8**

Regular monitoring and evaluation of the SSCP will be undertaken to identify whether the purposes of the Program are being complied with and objectives are being achieved.

**Principle 9**

Staff employed to work in the SSCP control room, whether they be operators or managers, will meet the highest standards of probity.

**Principle 10**

Access to the SSCP control room will be restricted to qualified operating staff, support staff, and their managers and the control room will be protected from unauthorised access.

**Principle 11**

Information recorded will be accurate, relevant and not exceed that necessary to fulfil the purposes of the SSCP.

**Principle 12**

Information will be obtained fairly and in accordance with the privacy provisions of the Code of Practice.

**Principle 13**

The retention of, and access to, recorded material will be only for the purposes provided by this Code of Practice or applicable laws. Recorded material will be retained for 28 days unless they are required in relation to the investigation of crime and/or for court proceedings. After 28 days they will be recorded over.

**Principle 14**

Contact related to the SSCP between City of Sydney staff and the NSW Police Force, will be conducted strictly in accordance with the Code of Practice.

**Principle 15**

The SSCP will address the interests of all who may be affected by it, and not be confined to the interests of the City of Sydney or the needs of the criminal justice system.

## 3. OVERVIEW

### 3.1. Street Safety Camera Program

- 3.1.1. The SSCP comprises the City's public closed-circuit television operation and is to be distinguished from the City's internal CCTV camera system. The SSCP covers areas in Kings Cross, Surry Hills, Sydney CBD, Glebe, and Woolloomooloo.
- 3.1.2. The SSCP is only one of several initiatives designed to assist in preventing crimes against the person in Sydney. However, it is recognised that such crime will never totally be prevented.

### 3.2. Code of Practice

- 3.2.1. The Code of Practice documents the 15 key principles of the program and details the day-to-day management procedures that support the governance of the program.
- 3.2.2. The Code of Practice is supplemented by a set of Standard Operating Procedures giving instructions on all aspects of the operation of the Program. These documents will be based on the Code of Practice to ensure that the principles and purposes on which the SSCP is based are realised.
- 3.2.3. Involvement in any aspect of the SSCP by relevant organisations or individuals will depend upon their willingness to comply with the Code of Practice and the Standard Operating Procedures.
- 3.2.4. All staff involved in the operation and management of the SSCP must understand the contents of the Code of Practice and are required to sign an acknowledgement of their understanding. The Code of Practice forms a key component of the training of control room staff and the successful operation of the Program relies on all staff involved in the program having a complete understanding of the Code of Practice and fully complying with its contents.

- 3.2.5. Instructions supplementing the Code of Practice may be issued from time to time.
- 3.2.6. The NSW Police may develop their own standard operating procedures to complement this document.
- 3.2.7. The Code of Practice remains the property of the City of Sydney. The Code of Practice will be available to the public to allow scrutiny of operational consistency with policy document.
- 3.2.8. The Code of Practice is subject to State and Federal law, including, but not limited to:
  - i) Privacy and Personal Information Protection Act 1998
  - ii) Government Information (Public Access) Act 2009
  - iii) Crimes Act 1900
  - iv) Security Industry Act 1997
  - v) Workplace Surveillance Act 2005
- 3.2.9. Additional copies of the Code of Practice may be obtained from:  
Manager, Security and Emergency Management  
City of Sydney  
GPO Box 1591  
Sydney NSW 2001

### **3.3. System Description**

The Program is comprised of over 100 CCTV camera locations (see schedule 1) connected to a central control room. Images are transmitted live to observation screens monitored 24 hours a day by control room staff employed by the City of Sydney. All images are recorded and retained for 28 days unless they are required in relation to the investigation of crime and/or for court proceedings. The system is directly linked with several Metropolitan Police Area Commands to ensure instant communication and enable direct monitoring in certain circumstances such as an emergency.

### **3.4. Camera Type**

- 3.4.1. All cameras are high definition, providing full colour, and may be PTZ (pan, tilt and zoom), fixed, or multi-sensor to enable effective coverage of the area of concern. An installation may include one or more cameras in a single location to provide coverage of the area.
- 3.4.2. All cameras are sourced from recognised industry leading manufacturers to ensure that state of the art technology has been used to provide maximum resolution and picture quality. The technology used will be regularly reviewed to ensure the most up to date equipment appropriate to the purposes of the SSCP is used.

### **3.5. Camera Locations**

- 3.5.1. Cameras are installed in those areas of the city that are subject to a high incidence of crimes against the person. These locations are initially determined on the basis of:
  - i) Crime statistics provided by the NSW Police and the Bureau of Crime Statistics and Research
- 3.5.2. Proposed locations for CCTV and are assessed against the following criteria:
  - i) impact on the privacy of individuals and groups
  - ii) the potential for crime to be displaced to other areas
  - iii) the availability of supporting infrastructure and feasibility of installing additional infrastructure
  - iv) the cost of installation and the availability of funding

- 3.5.3. To avoid unwarranted major intrusion into privacy, cameras will not be installed in predominantly residential areas.
- 3.5.4. The number and location of cameras may vary from time to time. The current approved camera locations are detailed in (Schedule 1).
- 3.5.5. Any additional cameras locations must be approved by Council in accordance with the section 4.2.

### **3.6. Location of monitoring and recording equipment.**

- 3.6.1. Control room staff and monitoring equipment are located at:
  - Security and Emergency Management Control Room.Secondary monitoring equipment is located at:
  - Police Operations Centre (Approved major events and Police operations only)
  - NSW Police Area Commands

### **3.7. Ownership of the Street Safety Camera Program**

The City is the owner of the SSCP and retains ownership of and has copyright of all equipment, recorded material and documentation pertaining to the program. The responsibilities of the City in relation to the system are outlined in section 9.

### **3.8. Partners in the Street Safety Camera Program**

The NSW Police are a partner in the SSCP. The responsibilities of the NSW Police in relation to the program are outlined in section 10.

---

## **4. REVIEW OF AND CHANGES TO THE PROGRAM OR CODE OF PRACTICE**

### **4.1. Review of the Code of Practice**

The Code of Practice will be reviewed every two years by the Manager, Security and Emergency Management in consultation with the SSCP Working Group.

### **4.2. Changes to the Code of Practice**

- 4.2.1. Changes to the Code of Practice or Standard Operating Procedures will be referred to the SSCP Working Group for assessment of the policy implications and consistency with the principles of the program.
- 4.2.2. A minor change to the SSCP or Code of Practice may be made with the agreement of both the Lord Mayor and the Chief Executive Officer. Any such changes will be advised to all other Councillors. A minor change is a change which may be required for the purposes of adjustment of the Program or clarification of the Code of Practice. Examples of minor changes are a change to the wording of a section of the Code of Practice where its meaning might otherwise be ambiguous or the relocation of a camera in an area.
- 4.2.3. A major change to the SSCP or to the Code of Practice will take place only after consultation with relevant interest groups and upon the agreement of the Council of the City of Sydney. A major change is a change which will have a significant impact upon the operation of the program or the Code of Practice. For example, a change to the purposes of program or a proposal to install additional permanent cameras may be considered major changes.
- 4.2.4. The consideration and/or introduction of any major change to the SSCP or to the Code of Practice will be included in the regular audit report (see section 11).

#### **4.3. Approval in emergency situations**

The Chief Executive Officer of the City of Sydney or their delegate must be advised of the use of the SSCP during emergency situations, such as a siege or bomb explosion. The Chief Executive Officer will immediately inform the Lord Mayor of a request to use the SSCP for such purposes and when approval was given.

#### **4.4. Approval for use during major events**

The Director City Services must approve the temporary use of the SSCP for the purposes of city management during major events.

#### **4.5. Approval for use during demonstrations and public rallies**

The Lord Mayor and CEO must approve the use of the SSCP for the purposes of city management during demonstrations and public rallies.

#### **4.6. Approval for use during police operations**

The Lord Mayor and CEO must approve the use of the SSCP to support NSW Police Operations targeting offences within the scope of the program.

#### **4.7. Approval under exceptional circumstances**

The Lord Mayor and CEO may permit one-off use of the program outside the standard operating parameters in exceptional circumstances.

---

## **5. PURPOSE**

**6.2. Approval of the use of the Street Safety Camera Program during major events**

- 6.2.1. The Director, City Services must approve temporary use of the SSCP for the purposes of city management during major events.
- 6.2.2. Should use of the SSCP be required for the purposes of city management during a major event, the NSW Police or Premiers Department must submit a written request to the City including:
- i) the nature of the event
  - ii) the date of the event
  - iii) the times during which it is proposed the major event procedures apply.
- 6.2.3. Any request from the NSW Police or NSW Premiers Department to use the SSCP for the management of major events must be put in writing and forwarded to:
- Director, City Services  
City of Sydney  
GPO Box 1591  
Sydney NSW 2001
- 6.2.4. It is the responsibility of the Manager, Security and Emergency Management to notify control room staff of the dates and times during which the SSCP will be used for the purposes of city management during a major event.

**6.3. Operation of the Street Safety Camera Program during major events**

- 6.3.1. For the duration of the major event, the SSCP will operate in accordance with usual operating procedures. However, the procedures outlined in this section will also apply.
- 6.3.2. At all times camera control will remain with control room staff.
- 6.3.3. For the duration of the event, a Police Area Commander, Region Commander or Inspector may request vision from the SSCP to assist in crowd management, traffic management, cleansing and waste removal.
- 6.3.4. Vision will be terminated immediately on the conclusion of the event for which the transfer of vision has been requested.
- 6.3.5. In circumstances where control room staff members are monitoring an incident involving, or potentially involving, an offence against the person, the use of the SSCP for this purpose will take precedence over the use of the Program for city management.

---

## 7. DEMONSTRATIONS AND PUBLIC RALLIES

**7.1. Use of the Street Safety Camera Program during demonstrations and public rallies**

- 7.1.1. During demonstrations and public rallies, in addition to its usual functions, the SSCP may be used to assist in the management of:
- i) crowd movements in relation to crowd safety and traffic/pedestrian flow
  - ii) cleansing and waste management
  - iii) emergency management
- 7.1.2. The SSCP can only be used to manage demonstrations and public rallies when they:

## Street Safety Camera Program

- i) have a significant impact on the normal functioning of the city, for example, interruption of business or transport activities
- ii) involve a significant increase in the normal volume of pedestrian activity
- iii) involve an additional risk to personal safety

7.1.3. The Lord Mayor and Chief Executive Officer may permit one-off use of the SSCP program outside of these parameters in exceptional circumstances.

7.1.4. The monitoring of individual/small group interactions for general intelligence gathering purposes is not permitted.

### **7.2. Approval of the use of the Street Safety Camera Program during demonstrations and public rallies.**

7.2.1. The Lord Mayor and Chief Executive Officer must approve temporary use of the SSCP for the purposes of city management during demonstrations or public rallies.

7.2.2. Should use of the SSCP be required for the purposes of city management during a demonstration or public rally, the NSW Police or Premiers Department must submit a written request to the City including:

- i) the nature of the demonstration or public rally
- ii) the date of the demonstration or public rally
- iii) the times during which it is proposed the demonstrations and rallies procedures apply

7.2.3. Any request from the NSW Police or NSW Premiers Department to use the SSCP for the management of demonstrations and rallies must be put in writing and forwarded to:

Director, City Services  
City of Sydney  
GPO Box 1591  
Sydney NSW 2001

7.2.4. It is the responsibility of the Manager, Security and Emergency Management to notify control room staff of the dates and times during which the SSCP will be used for the purposes of city management during a demonstration or public rally.

### **7.3. Operation of the Street Safety Camera Program during demonstrations or public rallies**

7.3.1. For the duration of the demonstration or public rally, the SSCP will operate in accordance with usual operating procedures. However, the procedures outlined in this section will also apply.

7.3.2. At all times camera control will remain with control room staff.

7.3.3. For the duration of the demonstration or public rally, a Police Area Commander, Region Commander or Inspector may request vision from the SSCP to assist in crowd management, traffic management, cleansing and waste removal.

7.3.4. Vision will be terminated immediately on the conclusion of the demonstration or public rally for which the transfer of vision has been requested.

7.3.5. In circumstances where control room staff members are monitoring an incident involving, or potentially involving, an offence against the person, the use of the SSCP for this purpose will take precedence over the use of the program for city management.

## 8. NSW POLICE OPERATIONS

### 8.1. Use of the Street Safety Camera Program to support NSW Police Operations

8.1.1. From time to time, the NSW Police may request support from the SSCP during operations to prevent and/or respond to an escalation of 'crimes against a person'.

8.1.2. The monitoring of individual/small group interactions for general intelligence gathering purposes is not permitted.

### 8.2. Approval of the use of the Street Safety Camera Program for NSW Police Operations

8.2.1. The Lord Mayor and Chief Executive Officer must approve temporary use of the SSCP for use in NSW Police operations.

8.2.2. Should use of the SSCP be required to support NSW Police operations, the NSW Police must submit a written request to the City including:

- i) the nature of the operation
- ii) the date of the operation
- iii) the times during which it is proposed the Police Operations procedures apply

8.2.3. Any request from the NSW Police to assist with Police operations must be put in writing and forwarded to:

Director, City Services  
City of Sydney  
GPO Box 1591  
Sydney NSW 2001

8.2.4. It is the responsibility of the Manager, Security and Emergency Management to notify control room staff of the dates and times during which the SSCP will be used for the purposes of NSW Police Operations.

### 8.3. Operation of the use of the Street Safety Camera Program for NSW Police Operations

8.3.1. For the duration of an operation, the SSCP will operate in accordance with usual operating procedures. However, the procedures outlined in this section will also apply.

8.3.2. At all times camera control will remain with control room staff.

8.3.3. Vision will only be transferred to the Police Operations Centre while a City of Sydney Responsible Officer is on duty.

8.3.4. The City of Sydney Responsible Officer will have the ability to control camera operations via a keyboard from the Police Operations Centre during the operation.

---

## 9. RESPONSIBILITIES OF THE CITY OF SYDNEY

### 9.1. The Code of Practice

The City of Sydney will be responsible for the introduction and implementation of the Code of Practice and for ensuring compliance with the principles contained within the Code.

### 9.2. Compliance with the Code of Practice

The City of Sydney will comply with the requirements for accountability set out in this Code of Practice.

### **9.3. Consultation and public information**

The City of Sydney will consult with and provide information to the public about the operation of the SSCP and about any proposed changes to the Program or the Code.

---

## **10. RESPONSIBILITIES OF THE NSW POLICE**

### **10.1. Reporting of incidents**

Incidents that may involve or lead to a crime against the person or other serious threat to public safety, or other serious criminal offence, will be reported by the control room to an arranged NSW Police contact. The NSW Police will assess the situation and determine an appropriate response to the incident.

### **10.2. Responding to incidents**

It is the responsibility of the NSW Police to respond to incidents identified on monitoring screens to the extent that its resources and priorities allow.

### **10.3. NSW Police Procedures**

The NSW Police will implement its own operational procedures in relation to the SSCP to complement those developed by the City of Sydney.

### **10.4. Memorandum of Understanding**

A Memorandum of Understanding in relation to the SSCP will be entered into by both City of Sydney and the NSW Police outlining in detail the respective roles of both parties. The Memorandum of Understanding and any variations to it, are to be approved by both the Lord Mayor and Chief Executive Officer and are to be circulated to all City of Sydney Councillors.

---

## **11. ACCOUNTABILITY**

### **11.1. Internal Audit**

#### **11.1.1. The City's Internal Audit Unit will complete a biennial audit of the SSCP in accordance with the Audit, Risk and Compliance Committee Charter and the Internal Audit Charter.**

The audit may include, but is not limited to:

- i) examination of control room logs (visitor logs, evidence logs, etc.)
- ii) examination of the content of recorded material
- iii) examination of electronic data records
- iv) examination of applications (for view/release of recorded material and access to the control room)
- v) observation of all equipment to check that it is in good working order

### **11.2. SSCP Working Group**

The City will establish and provide support to a SSCP Working Group, comprised of representatives from the City of Sydney, NSW Police, and suitably qualified persons from organisations with an interest in the operation of the SSCP.

The functions of the SSCP Working Group are:

- i) to provide an independent review and checking mechanism for the SSCP
- ii) to promote public confidence in the SSCP by ensuring its operations are transparent to the public and undergoing independent scrutiny and review

- iii) to contribute to the development of the scope of audit for the program
- iv) to review any deviations from the Code of Practice or Standard Operating Procedures and monitor recommended actions that will safeguard the program from abuse
- v) to review proposed changes to the SSCP for assessment of the policy implications
- vi) to assist in the evaluation of the SSCP to identify if the purposes of the Program are being complied with and objectives are being achieved.

The City will provide resources to the Working Group so it can effectively fulfil its functions.

### **11.3. Audit Report**

The City's Chief Internal Auditor will produce an audit report biennially on the operation, functioning, and management of the SSCP. This must include setting out any discrepancies or deficiencies uncovered in the audit. The report will be presented to the City's Audit, Risk and Compliance Committee within three months of the audit completion date.

### **11.4. Right of inspection**

Both the Lord Mayor and the Chief Executive Officer, independently, have an unfettered right of inspection of all City facilities associated with external CCTV monitoring, including recorded material, files and registers. All such access will be recorded in the register, including the identity of accompanying persons.

---

## **12. PUBLIC INFORMATION**

### **12.1. CCTV Signage**

In compliance with the NSW Government Guidelines, clearly visible signs that CCTV cameras are operating will be displayed at the perimeter of the area covered by the system and at other key points. These signs will:

- i) inform the public that cameras are in operation
- ii) allow people entering the area to make a reasonable approximation of the area covered by the system
- iii) identify the City of Sydney as the owner of the system and provide contact details should further information be required

### **12.2. CCTV signage wording**

The following wording is stated on SSCP signs:

### **13. ASSESSMENT OF THE CODE OF PRACTICE**

#### **13.1. Monitoring of the Street Safety Camera Program**

The City, in consultation with the Audit, Risk and Compliance Committee and the SSCP Working Group, will periodically monitor the operation of the SSCP and implementation of the Code of Practice.

#### **13.2. Evaluation of the Street Safety Camera Program**

- 13.2.1. The City, in consultation with the SSCP Working Group, is responsible for ensuring that the SSCP is regularly subject to evaluation to identify whether its purposes are being complied with and whether objectives are being achieved. Resources committed to the system annually will include the cost of evaluation.
- 13.2.2. The evaluation will be conducted independently or carried out according to independently established criteria.
- 13.2.3. Evaluation of the SSCP will include as a minimum:
  - i) assessment of its impact upon crime
  - ii) assessment of its impact on neighbouring areas
  - iii) the views of the public on the operation of the Program
  - iv) operation of the Code of Practice and Standard Operating Procedures
  - v) whether the purposes for which the Program was established still exist
- 13.2.4. The results of the evaluation will be considered in the future functioning, management and operation of the Program.

### **14. MANAGEMENT OF THE CONTROL ROOM**

#### **14.1. Control Room staffing**

- 14.1.1. The City will adopt:
  - i) Effective and fair systems of recruitment and selection of staff, including measures to ensure that the selection process provides for thorough validation of the suitability of candidates and regular review of the suitability of employed staff.
  - ii) A requirement that staff must be licensed, qualified at a suitable level on appointment and be capable of meeting in-service training requirements.
  - iii) A procedure outlining disciplinary proceedings (including dismissal) if they breach any of the provisions of the Code of Practice or Standard Operating Procedures and the City's Code of Conduct.
  - iv) A requirement of confidentiality which can be enforced during and after termination of employment.

- v) Systems of monitoring and supervision that ensure compliance with the Code of Practice and Standard Operating Procedures.

14.1.2. A set of Standard Operating Procedures has been developed for control room staff.

#### **14.2. Recruitment and selection of staff for the Control Room**

14.2.1. The recruitment and management of control room staff is the responsibility of the Security Operations Manager.

14.2.2. All monitoring staff members must hold a minimum current class 1A licence, issued under the Security Industry Act 1997 (NSW) or as amended.

14.2.3. Control room staff will be subjected to a security operative licence check prior to commencing duty and every 12 months thereafter.

14.2.4. All new staff will be appointed on a probationary basis for the first six months of employment.

#### **14.3. Control Room staff training**

14.3.1. All staff will be required to undergo approved induction/familiarisation training during their probationary period.

14.3.2. All staff will be required to demonstrate their understanding of and capacity to operate the system alone prior to being granted permanent employment status.

14.3.3. Each new staff member on completion of their training is to be proficient in:

- i) use and control of camera management systems
- ii) use and control of recording systems
- iii) identification and reporting of incidents
- iv) knowledge of identified potential trouble spots
- v) policy and procedures relating to recording of information
- vi) exhibit handling and incident reporting
- vii) emergency response and procedures
- viii) accountability and confidentiality issues
- ix) privacy issue

14.3.4. All staff will be subject to bi-annual performance appraisals and will be required to undergo additional training if necessary.

#### **14.4. Confidentiality**

14.4.1. All staff involved in the operation of the SSCP are required to sign a confidentiality agreement.

14.4.2. It is the responsibility of the Security Operations Manager to ensure that these agreements are signed prior to any person commencing employment.

## **15. CONTROL ROOM ACCESS**

### **15.1. Access control procedures**

15.1.1. Procedures have been put in place to ensure that access to the control room is restricted to operating staff and their managers and that the control room is protected from unauthorised access, except as provided in Clause 11.4.

- 15.1.2. The circumstances in which Police or other visitors are able to access the control room will be carefully controlled and outlined in this section of the Code of Practice and the Standard Operating Procedures.
  - 15.1.3. The following persons are authorised to enter the control room:
    - i) City of Sydney Responsible Officers (see Schedule 2)
    - ii) authorised persons (see Schedule 3)
    - iii) authorised visitors (civilians when accompanied by a City of Sydney Responsible Officer)
    - iv) officers of the NSW Police authorised to view or collect recorded materials
    - v) technical services and cleansing staff while in the presence of an authorised person.
  - 15.1.4. Technicians must outline their details and sign into the visitor management system.
  - 15.1.5. A City of Sydney Responsible Officer - Operational Management, or in their absence, a City of Sydney Responsible Officer - Strategic Management, is responsible for the authorisation of all visitors to the SSCP control room.
  - 15.1.6. It is the responsibility of the City of Sydney Responsible Officer who has authorised the visit the control room to accompany those visitors while in the control room.
  - 15.1.7. A register must be kept detailing all instances of access to the control room. All visitors will be required to sign-in to the visitor management system and follow all reasonable directives given by the City of Sydney Responsible Officer.
- 

## 16. INFORMATION RECORDED AND REPORTED

### 16.1. Control and operation of cameras.

- 16.1.1. The locations of cameras will be clearly apparent to the public.
- 16.1.2. All use of cameras will accord with the purposes of the SSCP as outlined in the Code of Practice and the Standard Operating Procedures.
- 16.1.3. Cameras will not be used to look into private premises or residential properties.
- 16.1.4. No sound will be recorded in public places.
- 16.1.5. 'Dummy' cameras will not be used.
- 16.1.6. Operators of camera equipment will act in accordance with the highest standards of probity.
- 16.1.7. All control room staff will be made aware that recordings are subject to routine audit and that they may be required to justify their interest in a particular member of the public or premises.
- 16.1.8. Information collected by the SSCP is subject to the information protection principles of the Privacy and Personal Information Protection Act 1998.
- 16.1.9. Only authorised persons with the responsibility for monitoring and repairing control room equipment or a City of Sydney Responsible Officer shall have access to the operating controls of equipment located in the control room.
- 16.1.10. Cameras that are being actively monitored must be displayed on the main monitor wall. Cameras must be returned to auto patterns as soon as practical when not being utilised.
- 16.1.11. Police officers shall not be permitted to operate monitoring equipment located in the control room at any time (except during a 'major incident' – see section 18.3).

## **16.2. Intelligence Gathering**

- 16.2.1. Control room staff will transfer intelligence in relation to standard incidents occurring during one shift to staff on the next shift to assist with the detection of offenders and to prevent further offences.
- 16.2.2. Except in the event of Major Incidents (1.12.2), control room staff will not provide intelligence to Police or any other agency for any purposes outside the scope of the SSCP Code of Practice.
- ~~16.2.3.~~ Police may supply photographs, written descriptions or recorded footage from other sources, for the purpose of locating any person of interest who is suspected as having been involved in the commission of an offence covered under the scope of the Program.

## **16.3. Incident Reports**

- 16.3.1. Incident reports will be reviewed by the Responsible Officer on duty to determine whether any clarification of the Code of Practice or Standard Operating Procedures is necessary, or whether any additional training of staff is required. If required, the matter will be forwarded to the Security Operations Manager for review.
- 16.3.2. Incident reports are to be completed within 24 hours of the incident.
- 16.3.3. Any incident that, in the operator's opinion, may draw media attention or is of a serious nature is to be brought to the attention of the Security Operations Manager as soon as possible.
- 16.3.4. Any physical descriptors used by operators in completing incident reports are to be in accordance with the Standard Operating Procedures, Schedule 2.

# **17. RECORDED MATERIAL**

## **17.1. Access and distribution of recorded material**

- 17.1.1. Access to and use of recorded material will only take place:
  - i) in compliance with the needs of Police in connection with the investigation of crime
  - ii) if necessary, for the purposes of legal proceedings or in compliance with applicable laws (such as the Government Information (Public Access) Act 2009 and the Privacy and Personal Information Protection Act 1998)
- 17.1.2. Recorded material will not be sold or used for commercial purposes or the provision of entertainment.
- 17.1.3. The showing of recorded material by the NSW Police to the public or other agencies will be allowed only in accordance with the needs of the Police in connection with the investigation of a crime or in any other circumstances provided by law.
- 17.1.4. Use of recorded material or photographs by the media should only occur to gain public information with respect to the identity of a person/s wanted in connection with a criminal investigation. Subject to the concurrence of the Police, the Chief Executive Officer may approve such releases after consultation with the Lord Mayor. In such cases the recognisable characteristics of other people in the footage shall be obscured.
- 17.1.5. Images shall not, under any circumstances, be used to publicise the existence or success of City of Sydney's SSCP.
- 17.1.6. Appropriate security measures will be taken against unauthorised access to, alteration, disclosure, accidental loss or destruction of recorded material.
- 17.1.7. Recorded material will be treated according to defined procedures to ensure continuity of evidence.
- 17.1.8. All recorded material will be subject to random inspection by the City's Audit Unit.

## **17.2. Holding of recorded material**

- 17.2.1. All verbal requests for the holding of recorded material are to be made to a City of Sydney Responsible Officer.
- 17.2.2. The City of Sydney Responsible Officer will:
- i) if appropriate, arrange to forward an application form to the person who has requested that the recorded material be held
  - ii) inform the person that if a completed application form is not received within 28 days the recorded material will be unavailable
  - iii) convey the request to the control room

## **17.3. Applications for the viewing and/or supply of a recorded material (general)**

- 17.3.1. Access to and release of recorded material or photographs will only be permitted for reasons that are in accordance with the purposes of the SSCP or in compliance with applicable laws.
- 17.3.2. It is the responsibility of a City of Sydney Responsible Officer – Operational Management to sight and authorise every application for the viewing and release of recorded material. If for any reason a City of Sydney Responsible Officer – Operational Management is not available, a City of Sydney Responsible Officer – Operations may authorise an application.
- 17.3.3. The City of Sydney Responsible Officer responsible for authorising an application must:
- i) determine the validity of the request and forward an application form (See Schedule 4 - Form 2 or 3) to the applicant if appropriate
  - ii) prior to forwarding the application form, explain to the applicant the conditions attached to the release of recorded material outlined in the Form 2 and 3 confidentiality clauses (see 17.3.4)
  - iii) authorise or reject the application
  - iv) forward the authorised application form to the control room
  - v) after completion of the review of requested recorded material, control room staff will notify the applicant of the result and arrange for viewing/collection of copied material
- 17.3.4. Form 2 and 3 confidentiality clause states that any copy of recorded material is released by City of Sydney on the understanding that the applicant:
- i) acknowledges that the recorded material released is the property of the City of Sydney
  - ii) does not allow any copies of the recorded material to be produced, except under the provisions section 17.5.1(iv)
  - iii) does not publicly show or display any image or release it publicly without the prior written consent of the City of Sydney
  - iv) only uses the released information for the purposes stated on the application
- 17.3.5. All completed applications for the viewing or supply of recorded material should be forwarded to:
- Security Operations Manager  
Security and Emergency Management Operations Centre  
City of Sydney  
GPO Box 1591  
Sydney NSW 2001  
Or by email to [security@cityofsydney.nsw.gov.au](mailto:security@cityofsydney.nsw.gov.au)

**17.4. Civilian application for viewing and/or supply of a copy of recorded material**

Where a person who is not a member of the NSW Police wishes to view or obtain recorded material, the following procedure must be followed:

- i) the applicant must complete an Application to View or Obtain a Copy of Recorded Material by a Person Other Than a Member of the NSW Police (see Schedule 4 - Form 2)
- ii) the completed application form must be forwarded by mail, or email to the SSCP control room (see 17.3.5)
- iii) A City of Sydney Responsible Officer will then review the application in accordance with section 17.3

**17.5. Police application for viewing and/or supply of a copy of recorded material**

Where a member of the NSW Police wishes to view or obtain recorded material, the following procedure must be followed:

- i) a NSW Police Responsible Officer must complete an on-line Application To View or Obtain a Copy of recorded material by a Member of the NSW Police (See Schedule 4 - Form 3)
- ii) the completed application must be forwarded to the SSCP control room (see 17.3.5)
- iii) A City of Sydney Responsible Officer will then review the application in accordance with section 17.3
- iv) the NSW Police may reproduce recorded footage or photographs for court purposes or for the purpose of review by the NSW Ombudsman in the oversight or investigation of complaints under Part 8A of the Police Act 1990 (NSW)

**17.6. Police application for the viewing and/or supply of a copy of recorded material (emergency)**

17.6.1. At times it will not be possible for Police to wait to view recorded material. For example, if a serious standard incident has occurred and the Police need verification of the alleged offender's identity or physical features.

17.6.2. Where a member of the NSW Police wishes to view or obtain a copy of a SSCP recorded material in an emergency situation, the following procedure must be followed:

- i) a Police Responsible Officer must contact a City of Sydney Responsible Officer and make a verbal request for a Police officer to view recorded material of an occurrence or for a copy of the recorded material to be released as a matter of urgency
- ii) if the application is approved, the City of Sydney Responsible Officer will contact the control room staff and advise them that verbal authority has been given to allow the applicant Police officer to view or obtain a copy of the recorded material
- iii) upon receipt of an application, staff will copy the evidence and contact the applicant to arrange collection
- iv) the City of Sydney Responsible Officer who has given the verbal authorisation will ensure that he or she attends the control room at the earliest opportunity in order to sign Form 3 as final authorisation as soon as possible

**17.7. Storage and destruction of recorded materials**

17.7.1. All images are recorded and retained for 28 days unless they are required in relation to the investigation of crime and/or court proceedings in which case footage will be retained for a further 7 days

17.7.2. All recorded materials returned to the City will be destroyed in accordance with the Code of Practice.

- 17.7.3. All details on the Authorisation for the Destruction of Recorded Materials form (see Schedule 4 - Form 6) are to be completed by a City of Sydney Responsible Officer prior to the recorded materials being destroyed.
  - 17.7.4. It is the responsibility of a City of Sydney Responsible Officer to collect the evidence from the control room and destroy it in the presence of a member of the Internal Audit Unit or its delegate.
  - 17.7.5. Both the City of Sydney Responsible Officer responsible for destroying the recorded materials and the member of staff from the Internal Audit Unit or its delegate witnessing the destruction of the recorded materials are to sign the Authorisation for the Destruction of recorded materials form.
  - 17.7.6. Destruction of recorded materials shall be by burning, shredding, erasure or other approved method.
- 

## 18. CONTACT WITH THE NSW POLICE

### 18.1. NSW Police Involvement

- 18.1.1. NSW Police officers will not be permitted to remove any recorded material, operate recording equipment or have contact with any recorded material at any time unless under the terms of the Code of Practice, or subject to the execution of a search warrant or other relevant legal process.
- 18.1.2. Any change to the existing arrangements for NSW Police contact with and use of the system will amount to a major change to the Code of Practice and must be agreed to in accordance with the Code of Practice before being implemented.
- 18.1.3. Any involvement in the SSCP by NSW Police will be recorded by the City of Sydney and will be subject to audit.

### 18.2. Responding to standard incidents

- 18.2.1. Control room staff will contact NSW Police in relation to all offences against the person, and other serious criminal offences, detected on CCTV. Control room staff should also contact Police in relation to most standard incidents.
- 18.2.2. Control room staff will transfer vision of a standard incident in progress to the relevant Police Area Command when required.
- 18.2.3. A replay of recorded footage may be transferred to the NSW Police to assist with the identification and apprehension of offenders and the identification of victims and witnesses.

### 18.3. Responding to major incidents

- 18.3.1. In the event of a major incident, a NSW Police Responsible Officer should contact a City of Sydney Responsible Officer and request that vision and/or control of the SSCP be transferred to the NSW Police.
- 18.3.2. During the major incident, staff will remain in the control room or attend the Police Operations Centre to provide assistance to the Police if required.

### 18.4. Responding to graffiti

- 18.4.1. Control room staff will not contact Police in relation to minor incidents of graffiti.
- 18.4.2. Control room staff will contact Police in relation to serious graffiti offences, and will transfer vision to the relevant Police Area Command when requested by a NSW Police Officer.

## **18.5. Responding to minor incidents**

Control room staff will not contact Police in relation to minor incidents of graffiti, public urination or minor motor vehicle collisions.

---

# **19. INTEGRITY OF THE PROGRAM**

## **19.1. Compliance of the Code of Practice**

19.1.1. Prime responsibility for ensuring the Code of Practice is adhered to rests with the City of Sydney. This responsibility includes ensuring that breaches of the Code are investigated and remedied to the extent that breaches of the Code are within the ambit of City of Sydney's power to remedy.

19.1.2. Complaints in relation to any aspect of the management or operation of the system may be made in writing to:

Chief Executive Officer  
City of Sydney  
GPO Box 1591  
SYDNEY NSW 2001

or by telephone on (02) 9265 9333

The Chief Executive Officer will inform the Audit Risk and Compliance Committee (see 11.1) in writing of these complaints.

The *Privacy and Personal Information Protection Act 1998* authorises the Information and Privacy Commission (IPC) to receive and investigate complaints about alleged violations of privacy. Any member of the public is entitled to lodge a complaint with the IPC. The contact details for the IPC are as follows:

Information and Privacy Commission

Level 15, McKell Building,  
2-24 Rawson Place,  
Haymarket NSW 2000  
Tel: 1800 472 679  
Email: [ipcinfo@ipc.nsw.gov.au](mailto:ipcinfo@ipc.nsw.gov.au)

19.1.3. The City will cooperate with the investigation of any complaint by the IPC.

## **19.2. Audit, Risk and Compliance Committee (ARCC)**

19.2.1. Auditing of the City of Sydney's SSCP will be undertaken biennially.

19.2.2. The Internal Audit Unit shall provide a written report to the ARCC setting out any issues, discrepancies or deficiencies uncovered as part of the audit.

19.2.3. The Chief Executive Officer shall, upon receiving such a report, commence measures and actions as relevant to remedy identified deficiencies or inadequacies and to protect the privacy of the general community.

19.2.4. Recorded materials which contain images which are considered to breach the privacy of an individual or indicate misuse of the Program are to be placed into the custody of City of Sydney's internal auditors while the incident is investigated.

19.2.5. To protect the privacy of the community, no member of the ARCC will have the right to release information gathered as part of the audit process to any individual/organisation.

## **19.3. Internal Audit, Risk and Compliance investigation**

Where a breach of the Code of Practice or Standard Operating Procedures occurs, or which involves the possibility of theft, misuse or abuse of City assets and resources, or

## Street Safety Camera Program

alleged corrupt conduct of City staff, the matter will be investigated through the City's internal audit and governance mechanisms.
