CITY OF SYDNEY 

What is an Access Card?

The Card provides subsidised entry to the City's Aquatic + Fitness Centres for City of Sydney residents who are low income earners. The Card is also available to dependents 16 years and under who live with eligible low income earners.

What are the benefits of the Card?

For those who love the water, the Card allows entry for a swim at any City of Sydney operated aquatic centre for \$2.00. The fee includes access to the steam and sauna at the Ian Thorpe Aquatic Centre.

For those looking for a workout, the Card gives you access for just \$5.50 to the fitness centres at:

- Ian Thorpe Aquatic Centre
- Victoria Park Pool
- Cook+Phillip Park Aquatic and Fitness Centre.

Am I eligible?

To be eligible you must:

- Have a valid Commonwealth Health Care Card, a Pensioner Concession Card or Seniors Health Card.

If deemed otherwise eligible the following entry times apply for users:

City of Sydney residents: All centre open hours

Non City of Sydney residents

Weekdays: between 8am and 3pm and after 7pm

Weekends: after 1pm until closing

What identification do I need?

When applying for a Card you need to have two forms of identification showing your current residential address. They need to be original documents, not copies.

Experiencing financial hardship?

City of Sydney residents experiencing financial hardship may be eligible for an access card. To be eligible you, or your household, must be earning (before tax) less than:

- 1 individual - \$42,300 a year
- 2 individuals - \$42,300 to \$67,600 a year
