Access Card**

---

## What is an Access Card?

The Card provides subsidised entry to the City's Aquatic + Fitness Centres for City of Sydney residents who are low income earners. The Card is also available to dependents 16 years and under who live with eligible low income earners.

## What are the benefits of the Card?

For those who love the water, the Card allows entry for a swim at any City of Sydney operated aquatic centre for \$2.00. The fee includes access to the steam and sauna at the Ian Thorpe Aquatic Centre.

For those looking for a workout, the Card gives you access for just \$5.50 to the fitness centres at:

- Ian Thorpe Aquatic Centre
- Victoria Park Pool
- Cook+Phillip Park Aquatic and Fitness Centre.

## Am I eligible?

To be eligible you must:

- Be a resident of the City of Sydney
- Have a valid Commonwealth Health Care Card, a Pensioner Concession Card or Seniors Health Card.

## What identification do I need?

When applying for a Card you need to have two forms of identification showing your current residential address. They need to be original documents, not copies.

## Applications under financial hardship

City residents experiencing financial hardship may be eligible for an Access Card. To be eligible you, or your household, must be earning (before tax) less than:

- One individual – \$42,300 a year
- Two individuals – \$42,300 to \$67,600 a year
- Families \$67,601 to \$101,400 per year.

If you are applying for a Card because of financial hardship, you must provide:

- The most recent Tax Return for all adults in the household
- The most recent payslip for all working adults in the household
- A Medicare Card (for families only).

If you own assets or property which would reasonably be used to relieve your financial hardship, you may not be eligible for a Card. It is against the law to use false or misleading information in order to obtain a City of Sydney Access Card.

## Where can I use it?

The Card can be used at the following aquatic centres:
