

# Application to Renew an Existing Construction-related Temporary Structure

Under Section 78 of the Local Government Act 1993 & Section 138 of the Roads Act 1993

## About this form

You can use this form to renew an approval (permit) for an existing temporary structure installed on or above a public road. Note: To renew/extend a permit the temporary structure must be compliant with the conditions of approval and the City's 'Code of Practice: Construction-related Temporary Structures On and Above Roads'.

## How to complete this form:

- 1: Ensure that all fields have been filled out correctly before submitting the application.
- 2: Once completed you can submit this form by email. Refer to the Lodgement details in Part 4 for further information.

Application Number (original application number)

Are there any changes to the temporary structure proposed to be carried out?

Yes (amendment application is required)

No

How many additional weeks will the structure be in place? (see point 2 under 'Required documents' on the following page)

#### Details of graphics on hoardings.

If the hoarding does not currently display a graphic, will the proposed additional period of installation require the installation of graphics? (see 'Note' on p2)

No

Yes

▶ If yes, provide details of the type of graphic (Council licensed artwork, historic or bespoke graphic)

## Part 2: Site and Application Details...continued

**Note:** The display of graphics on hoardings and scaffolding is required in prescribed circumstances including installations that exceed specified durations (see Part 06, Table 1 in the Code of Practice: Construction-related Temporary Structures On an Above Roads). Where a graphic display was not required under the initial application/approval but the extension requested through this application now requires a graphic display, an extension of the Permit will not be granted until graphics are installed.

### Is the installed structure compliant?

Is the temporary structure fully compliant with the Permit and the City's Code of Practice: Construction-related Temporary Structures On and Above Roads?  Yes. In relation to hoardings, please tick the applicable type of hoarding:

**Type-A and Type-B hoardings** - remains structurally sound; clear of graffiti and bill posters; tidy condition; graphics/artwork (where required) remain in good condition; and the footway surface is clear of debris and safe for pedestrians.

**Type-B hoardings** (additional to the above) - lighting systems are fully operational; the deck is watertight; and no material or equipment is stored on the hoarding deck (unless otherwise specifically approved).

### Required documents:

Public Liability Insurance Policy covering the full renewal period.

Structural Certification

(required in some circumstances where a temporary structure has been in place for more than 6 months from the initial approval date) - refer to the approval (Permit) for details.
