

The City of Sydney Archives manages, preserves and provides access to more than one million items dating from the establishment of the Municipal Council of Sydney in 1842. Browse our collection of photographs, documents, maps and plans via the QR code or at archives.cityofsydney.nsw.gov.au

This display is part of a City of Sydney program to enhance construction hoardings and enliven our streets with history and art.

The City acknowledges the Gadigal of the Eora Nation as the Traditional Custodians of the place we now call Sydney, and we acknowledge their continued connection to Country.
