ABOUT THE PROJECT

- Wider footpaths on both sides of Crown Street between Devonshire and Cleveland Streets to create more pedestrian space and opportunities for outdoor dining;
- New kerbs and paving, street furniture, seven more trees and landscaping;
- Improving lighting by adding 13 Smartpoles and moving overhead power lines underground to reduce clutter at the Cleveland, Crown and Baptist intersection;
- A continuous paved footpath along Crown Street across Miles and Lansdowne Streets;
- A raised pedestrian crossing on Crown Street north of Lansdowne Street to replace the two speed humps;
- Combining two city-bound bus stops located outside Commonwealth Bank and 513 Crown Street into one stop at 525 Crown Street (Surry Cutters, near Miles Street);
- Moving the southbound bus stop at 586 Crown Street (outside Special Lights) to 614/616 Crown Street, south of the new raised crossing;
- Realigning traffic signals at the Cleveland, Crown and Baptist Streets intersection and removing the slip lane at Baptist Street to improve pedestrian flow;
- New paving and garden beds along Baptist Street from the NSW Mounted Police to Boronia Lane in line with works recently completed in the street;
- New paving and public art along the Crown to Wilshire Street pedestrian link; and
- Standardising parking times, with 2P parking from 8am–6pm, 4P from 6pm–10pm and 10am–10pm on Saturdays, Sundays and public holidays.

HAVE YOUR SAY

We would love to hear your feedback.

Your comments will be considered in the next phase of the design and the proposal reported to Council for endorsement. The necessary approvals from the State Transit Authority and Roads and Maritime Services will then be sought to allow this project to begin.
