Integrated development is development that requires development consent and one or more of the following approvals:

Heritage Act 1997 s58 - approval in respect of the doing or carrying out of an act, matter or thing referred to in s57 (1).

- s57 (1) of the Heritage Act 1977 applies to building works, relics or places on the State Heritage Register.

Roads Act 1993 s138 - consent to:
- a) erect a structure or carry out a work in, on or over a public road; or
- b) dig up or disturb the surface of a public road; or
- c) remove or interfere with a structure, work or tree on a public road; or
- d) pump water into a public road from any land adjoining the road; or
- e) connect a road (whether public or private) to a classified road.

Integrated development applies to any other Acts under which a development needs approval, including:
- Fisheries Management Act 1994 - s144, s201, s205
- Mine Subsidence Compensation Act 1961 - s15
- National Parks and Wildlife Act - s90
- Protection of the Environment and Operations Act 1996
- River and Foreshores Improvement Act 1948 - part 3A
- Waste Minimisation and Management Act 1995 - s4
- Water Act 1912 - s10, s13A, s18F, s20B, s20CS, s20L, s116, part B

An application for integrated development must include sufficient information for the approval body to make an assessment of the application. If your application is for integrated development, an additional fee will be payable directly to the relevant agency. This will be requested through the NSW Planning Portal after you lodge your application.

Note 3
In the case of construction or building work, the development application fee is based on the estimated cost of development and is based on the cost incurred if a contractor carried out the works (this is not the cost of an owner-builder carrying out the works)

- $0 - 150,000, you will need to provide Council with the site area; gross floor area (for all uses); the applicant or suitably qualified person* must provide a cost summary report cost of demolition and site preparation; excavation; fit-out (for all uses); car parking and professional fees, this can be submitted on councils cost summary form available on councils website.

- > $150,000 and $3 million, you will need to provide Council with the site area; gross floor area (for all uses); a suitably qualified person* must complete a cost summary report to include the cost of demolition and site preparation; excavation; fit-out (for all uses); car parking and professional fees, this can be submitted on councils cost summary form available on councils website.

- > $3 million, a registered Quantity Surveyor's detailed cost report verifying the cost must be submitted on lodgement of the development application, in the Council approved format available on the Council’s website. In the case of development which exceeds $40 million in cost, it is imperative that an accurate estimate is determined at development application stage as this will determine the correct Consent Authority. Please note that the Central Sydney Planning Committee is the Consent Authority for all development over $50 million.

* The following people are recognised as 'a suitably qualified person':
- A builder who is licensed to undertake the proposed building works, or
- A registered quantity surveyor, or
- A registered architect, or
- A practising qualified building estimator, or
- A qualified and accredited building designer, or
- A person who is licensed and has the relevant qualifications and proven experience in costing of development works at least to a similar scale and type as is proposed, or
- A land surveyor registered under the Surveying and Spatial Information Act, 2002.

Misrepresenting the value of the development will result in delays in the assessment of the development application and will necessitate a re-assessment / re-determination of the matter.
Note 4
Clause 168 of the Environmental Planning and Assessment Regulation 2000 requires a list of current and proposed fire safety measures to be attached to any development involving a change of building use (BCA classification), where no building work is required (except where the proposed change is to a class 1A or class 10 building). A Fire Safety Schedule of existing fire safety measures must be filled in and attached.

Note 5
Where a proposed development is not designated development, the application must be accompanied by a statement of environmental effects unless the proposed development is considered to have negligible effect (e.g. minor interior alterations) which must:

a) demonstrate that the environmental impact of the development has been considered;
b) set out steps to be taken to protect the environment or to mitigate the harm;
c) address compliance with the appropriate instrument (and any exhibited draft instruments). These instruments are available from Council or to view and download on the City of Sydney website at: www.cityofsydney.nsw.gov.au - main menu ‘Development’ / ‘Planning Controls’

Note 6
State Environmental Planning Policy No.65 requires a design verification statement for all development application for residential flat development. The design verification statement must be from a qualified designer being a statement in which the qualified designer verifies:

a) that he or she designed, or directed the design of the residential flat development, and
b) that the design quality principles set out in part 2 or SEPP65 - Design Quality of Residential Flat Development, are achieved for the residential flat development. A qualified designer means a person registered as an architect in accordance with the Architects Act 1921.

Note 7
A plan of the land must indicate:

a) location, boundary dimensions, site area and north point of the land;
b) existing vegetation and trees on the land;
c) location and use of existing buildings on the land;
d) existing levels of the land in relation to buildings and roads; and

Important Note: Applications which have insufficient/deficient documentation and/or detail may be returned to the applicant if Council is unable to assess the application. Council can request additional information from applicants for the application to be assessed and this can delay the assessment. Please ensure all requirements are met when submitting an application.

Note
Your development application may require notification and/or advertising in the paper to enable interested persons to comment on the proposal. The notification period inviting comment from surrounding residents and the public can vary depending on the type of development. If notification/advertising is required, a separate fee will be payable.
