Temporary Works Application

Under Section 68 of the Local Government Act 1993 and Section 138 of the Roads Act 1993

About this form

This application must be used to obtain approval to use the public way for minor construction works involving - ladders, mobile scaffolding, concrete line pumps, abseiling, suspended scaffold (swinging stage) in association with barricading in the public place to undertake minor facade maintenance work, or temporary vehicle driveways/laybacks or other works not covered by Road Opening Applications, Site-based Hoisting Devices Operating Over a Public Road Applications or the Mobile Hoisting Device Operating From a Road/Footway Applications. This application may be used for multiple frontages of the same building.

How to complete this form

1: All documentation listed in Part 5 - Applicant Checklist must be submitted or the application may not be assessed.
2: All fields on this form requesting information for the applicant are mandatory and must be correctly completed before submitting the application.
3: Applications must be submitted a minimum of 48 hours (2 working days excluding weekends and public holidays) prior to the proposed start date of works.
4: December Works: The issuing of permits during the month of December within the Sydney CBD will be restricted due to extended retail trading hours, school holidays and other activities leading up to Christmas and New Year festivities. A map showing exclusion zones and the applicable dates can be found at: http://www.cityofsydney.nsw.gov.au/development/building-and-construction-approvals/construction-regulation

NOTES: If requesting approval for fixed scaffolding/hoardings use an Application for Hoardings, Scaffolding and other Temporary Structures form. If using a mobile crane or other lifting devices use a Mobile Hoisting Devices Operating from a Road/Footway Application form. For an onsite/tower crane use a Site-based Hoisting Devices Operating Over a Public Road Application form

*** No payment is required when submitting this form.

Part 1: Equipment & Work Details

** Kerb Lane fees are applicable where a site does not have a City of Sydney approved / signposted works zone.

To assist with fee calculations or quotations, a listing of the major roads within the City of Sydney Council Local Government Area can be found at the following link: [http://www.cityofsydney.nsw.gov.au/business/business-responsibilities/traffic-management](http://www.cityofsydney.nsw.gov.au/business/business-responsibilities/traffic-management)

Note: Streets and roads not on this list are to be considered minor roads.

Part 5: Applicant Checklist - To be used when filling out this application form

The following information is required to accompany this application to ensure it will be processed.

- ☐ A full traffic / pedestrian plan, in accordance with AS 1742.3 & the RMS manual for traffic control at work sites drawn by a red or orange ticket RMS accredited person. Current RMS accreditation must be included on the plan.
- ☐ Where required, all external approvals / acknowledgements or permits; such as RMS, NSW Police, State Transit Authority are attached.
- ☐ Where required by conditions of a site specific DA consent, a City of Sydney Works Zone must be approved / installed or awaiting assessment / approval.
- ☐ A copy of the applicant’s current Public Liability Insurance certificate. The policy must be for minimum coverage of $20 million.
- ☐ Where required, a safe work method statement &/or Material Data Safety sheets for proposed works.
- ☐ If these works are being carried out as part of a City of Sydney project, please ensure the City of Sydney Project Manager’s details are included in this submission.
- ☐ If this application is for the construction of a temporary driveway/layback for vehicle access, a Road Opening application must be submitted before this assessment process can begin.

Part 6: Applicant Declaration

I declare that all of the information that I have provided is true and correct, and I am authorised to make this application on behalf of the company.

Conflict of Interest

To ensure transparency in Council’s decision making process and to avoid potential conflicts of interest applicants are to make a declaration as to whether they are a Council employee or Councillor or are related to a Council employee or Councillor.

I am an employee/Councillor or relative of an employee/Councillor of City of Sydney Council

☐ No  ☐ Yes  If yes state relationship
