- (B) the Central Sydney Planning Committee approve *Planning Proposal: 102–106 Dunning Avenue, Rosebery* for public authority consultation and public exhibition in accordance with any conditions imposed under the Gateway Determination;
- (C) the Central Sydney Planning Committee note the recommendation to Council's Planning and Development Committee on 20 February 2017 that Council seek authority from the Greater Sydney Commission to exercise its delegation under section 59 of the *Environmental Planning and Assessment Act 1979* to make the amending local environmental plan;
- (D) the Central Sydney Planning Committee note the recommendation to Council's Planning and Development Committee on 20 February 2017 that Council approve *Draft Sydney Development Control Plan 2012: 102–106 Dunning Avenue, Rosebery amendment*, shown at Attachment B to the subject report, for public exhibition with the Planning Proposal and in accordance with the Gateway Determination;
- (E) the Central Sydney Planning Committee note the recommendation to Council's Planning and Development Committee on 20 February 2017 that Council delegate authority to the Chief Executive Officer to prepare a draft Planning Agreement between the City and the landowner in accordance with the *Environmental Planning and Assessment Act 1979* with the following terms:

- (i) finished affordable housing dwellings are to be provided on site in accordance with the *Guideline to Preparing Site Specific Planning Proposal Requests in the City of Sydney Employment Lands* under either:
  - (a) Option 1 (minimum option) – where the amount of affordable housing floor space is calculated based on the amount of gross floor area built on the site and the agreed market value of the affordable housing floor space. The affordable housing floor space is to be built by the landowner and dedicated or sold to a Tier 1 or Tier 2 community housing provider for no more than \$1; or
  - (b) Option 2 (alternative option) – where affordable housing floor space is provided in addition to that required under Option 1. The landowner can sell the affordable housing floor space to a community housing provider for a capped amount. The capped sale amount is based on recouping the forgone value of the additional floor space on offer for affordable housing, plus an incentive amount, to be agreed between the City and the landowner;
- (ii) dedication to Council of a 1.25 metre deep frontage to Jones Lane (approximately 50 square metres of land) for a footpath, with the value of the land and any associated works-in-kind offset against the amount calculated under the Guideline; and
- (iii) carparking for affordable housing dwellings, number of spaces to be agreed between the City and the landowner;
- (F) the Central Sydney Planning Committee note the estimated number of affordable housing dwellings resulting from Option 1, described at clause (E)(i)(a) above, is approximately eight dwellings, depending on the amount of total gross floor area built on the site, the market value of the resulting dwellings and the size of the affordable housing;
- (G) the Central Sydney Planning Committee note the draft Planning Agreement is to be exhibited in conjunction with *Planning Proposal: 102–106 Dunning Avenue, Rosebery* and *Draft Sydney Development Control Plan 2012: 102–106 Dunning Avenue, Rosebery amendment*;
- (H) authority be delegated to the Chief Executive Officer to make minor changes and any changes required by the Greater Sydney Commission to *Planning Proposal: 102–106 Dunning Avenue, Rosebery* prior to the public exhibition;
- (I) the Central Sydney Planning Committee note that, following consideration of any submissions, and any modifications as necessary, *Planning Proposal: 102–106 Dunning Avenue, Rosebery* will be reported back to the Central Sydney Planning Committee for final approval;
- (J) the Central Sydney Planning Committee note the recommendation to Council's Planning and Development Committee on 20 February 2017 that Council approve the City of Sydney as the Relevant Planning Authority, should a review process be triggered under Part 3 of the *Environmental Planning and Assessment Act 1979*, and in line with the recently released *Planning Circular PS16-004 Independent reviews of plan making decisions*;

- (K) the Central Sydney Planning Committee note the Sydney Development Control Plan 2012 contains objectives and provisions which protect the operational viability of existing employment uses where residential development is introduced; and
- (L) the Central Sydney Planning Committee note the City is investigating a City-wide response to address the needs of the entertainment industry whilst protecting the amenity of noise sensitive uses.
