Walk confidently and with purpose

---

Walk with other people

---

Walk where you can be seen

Use well-lit paths where you are visible to others

---

Be aware of what is going on around you

---

Remember that using your headphones, mobile  
or drinking too much alcohol can distract you from  
your surroundings

---

If you feel at risk, ask for help or enter a shop and wait until you feel safe

---

Trust your instincts

---

Carry only the money you need for the day

---

Keep your bag in front of you

---

Put money into your wallet before you walk away from an Automatic Teller Machine (ATM)

---

Don't put up a fight for your belongings – your safety is more important

---

Don't leave your valuables unattended

---

Report all crimes to police

---

Lock your doors and windows every time you go out

---

Don't hide spare house keys around your home

---
